Message from The Governors

I would like to update you on some recent appointments to the Governing Body.

Unfortunately we did not receive any nominations from within our Parents or Carers following the advertising of the Parent Governor Vacancy last term. As a consequence the Governing Body has approached Jon Warden, who has kindly agreed to stay with us and undertake another four year term in this position.

We also have a new Co-Opted Governor, Kayleigh Hutchings, who has been appointed for a four year term of office. Whilst a newcomer to School Governance, Kayleigh brings a wealth of professional skills and experience with her, gained from her work in Finance and Management across several different sectors.

I am sure that you will all join with me in welcoming them both onto our Governing Body. As a group we remain committed to ensuring the best outcomes for all our pupils and we will be drawing on Kayleigh and Jon's collective enthusiasm, experience and knowledge to help us achieve it.

Stuart Bore
Chair of Governors, HBJS
