

Project Homework Term 1 & 2

This term we would like you to focus on our current school learning as part of your homework project. These areas of focus are as follows:

- **History/Geography: 'Maafa'** - looking at Africa past and present and the development of the slave trade.
- **Science: The Circulatory System**- looking at the main parts and functions of the heart, also learning about healthy lifestyle choices.
- **Art: Learning about colour theory, features of landscape and mixing tints, tones and shades.**

This is your first project at HBJs in Year 6 and we have high expectations. In order for you to demonstrate your dedication to your own learning, we would like to view the progress of your projects at the half way point to check you are on track and whether we can do anything to assist you. There are many choices for you and you must select two from the categories specified; these will involve research and creation.

Project Term 1 & 2	Half way review	Completed project due in	Parents invited to a Year 6 'Project Exhibition'
	20 th October 2023	11 th December 2023	15 th December (2:30am)

We would like you to select and complete **2 choices** from the grid.

Research	Art	DT
Research projects should be your own work and not copied and pasted from a document.		
You must pick one option from this column	You must pick one option from the Art OR DT column	
Research a famous black Briton. Create a mind map, PowerPoint or produce a fact file, but don't forget to include lots of description.	Take your time to paint a detailed picture or a collage of a human heart/body.	Links to PSHE: Create your very own chocolate bar. Why not gather some ingredients and even have a go at making one.
Research Africa and create your very own quiz. Remember to make sure that you have the answers so that we can play them in class.	Using a black artist as your inspiration, recreate a piece of their artwork. Here are some artists to get you started: Jean-Michel Bassquiat, Faith Ringgold, Kara Walker, Jacob Lawrence.	
Create a 'Healthy Lifestyle Diary' Keep track of your food and exercise over a period of time (1 week or 1 month) and present your diary in your own way.	Demonstrate your learning of landscape art by developing a piece of artwork based on a famous landmark.	 Consider its name, ingredients, price and more importantly 'Fair Trade'. Bring along photos or plans of this experience.
Research the Circulatory System and create your very own quiz. Remember to make sure that you have the answers so that we can play them in class.	Create a piece of artwork linked to 'Black History Month' Can your piece display a powerful message to its audience?	Make your own model of the circulatory system. Here are some ideas to help: Make a model of the heart, lungs, or even recreate blood.
Produce an information leaflet on ' The Healthy Body ' Consider the importance of your physical health through diet and regular exercise. Explain how we can strengthen our heart and how important a healthy body is.	Create a 'Healthy Eating' poster. Use paints or colour which show the healthy food choices in fruit or vegetables.	Create a model village of an African slave plantation. Capture the different roles of slaves and slave owners within your model.
Research and write a diary entry from a slaves perspective. Include the key events in the life of a slave.	Using pencil only, create a black and white image themed to our 'Maafa' topic. Ideas: Slaves being sold, the journey across the sea, working on a plantation.	Design and make a game involving facts about the Circulatory System (<i>board game, card game, memory game, observation game</i>)
Choose an African country and then create a factfile based upon that country. Choose how to present your findings (Video, PowerPoint or a detailed poster)	Create a piece of sunset art themed on Africa. Consider what will feature in the silhouette (shadow): African landscape features, tribespeople and animals.	Create a model of a boat transporting African slaves across the continent. Capture the different roles of slaves and slave owners within your model.
		Design and make a game involving facts about Africa and the slave trade. (<i>board game, card game, memory game, observation game</i>)
