

# Year 3 Homework

## Terms 3 & 4

Project	Due in: Wednesday 20 <sup>th</sup> March	
	<p>In Terms 3 and 4, our Geography topic is titled 'Rocks, Relics and Rumbles.' The children will explore our natural world and learn all about volcanoes, earthquakes and rocks. At the end of the topic, the children will be taking part in a quiz to demonstrate their understanding.</p> <p>To support and further your child's learning, we ask that you support your child to research and generate questions that will be used in the class quiz. Children will participate in teams to try and win the quiz. <b>A booklet to record the questions in will be sent out at the end of Term 3.</b></p> <p>If you have any queries please contact the office.</p>	
Maths	Numbersense/Studyzone	
	<p>In class, children will be using a program called Numbersense. This allows them to develop their addition and multiplication skills.</p> <p>Each week, the class teacher will send home strategies and games you can try at home. This will support their learning. There is no time limit, however, <b>the more practise the better!</b></p> <p>If you wish to, you can practise your times tables on Studyzone. Your login and password are in your learning pack. The website also has additional activities that you might like to access too.</p> <p><b>The more practise the better!</b> The quicker you learn your number facts, the more you will be able to use them in your Maths work.</p>	
Reading	Accelerated Reading (AR)	
	<p>Read independently or, even better, with an adult. Read carefully and discuss the text with an adult so you can maximise your score when you quiz on the book at school. The children are expected to read for 15mins three times a week minimum.</p>	
Spelling	Set start of term	Tested weekly and parents will be informed of scores.
	<p>You will be given a card with spellings to learn <u>each week</u>.  <b>Your teacher will tell you which spellings to learn each week.</b>          Focus on the weekly set, revisiting previous weeks too. You will be practising them at school, using a range of strategies to help you to learn them, but it is really important that you practise at home too. Ask an adult to help you. You could highlight each word once you can <u>definitely</u> spell it! At the end of each week, there will be a test on the words you have been learning that week.</p>
