

Year 4 Homework

Term 3 & 4

Project

This term our Topic title is 'Misty Mountain, Winding River!' Your project over the next 2 terms is to design and create your own **water-themed** board game or card game. This could be based upon an existing popular game e.g Snakes and Ladders, Battleships or Snap, or you could invent a brand new, exciting game to play with your friends! Some ideas could include;

- Cross the river board game
- Sea adventure drafts or chess
- Water Snap
- The water cycle Twister
- Battleships
- River and lakes (like Snakes and Ladders)
- Venice Monopoly

We will be holding a games morning for the children to play their games.

Due date: Wednesday 20th March

Games to be played in school during the week of the 25th March

Spellings

A spelling list is in your diary. There will be a weekly spelling test every Friday for the words we have focused on that week. The class teacher will develop the children's understanding of spelling patterns and highlight the trickier areas of the spellings on the list. We ask that the adults at home also practise the spellings with your child, little and often, enabling them to feel confident when they are tested at the end of each week.

Times Tables

Learning your times tables is an important skill and will help you in many areas of Maths. TT Rockstars is designed to help you learn all your times tables. Your teacher will set you homework on TT Rockstars that will be between 15 – 20 minutes long every week. Use your unique login and password that is at the front of your learning journal to access the website on any device.

Reading

All children are expected to read an AR book within their **AR Range** for **15 minutes a day**. After reading the book, your child will take a short quiz on an iPad in school. The **quiz scores** are recorded in your child's Learning Journal along with their increasing AR Range. Of course, any additional time spent reading is always a bonus! Children also have access to the school library at lunchtimes and are able to borrow an additional book to enjoy.
