

## Year 5 Homework - Terms 5 & 6

# Ground Breaking Greeks

**Project - Due on Monday 17<sup>th</sup> June**

Adults are invited to view the home projects on **Tuesday 25<sup>th</sup> June at 9am**

For this term's project, we would like you to research an aspect of life in Ancient Greece that really interests you. It may be that you want to find out more about the origins of the Olympics or Ancient Greek culture such as the theatre. You might be intrigued by the fascinating Greek gods and goddesses and the exciting myths that have been told about them. Choose one area and use the internet and books to discover more.

How you present your information is up to you. It could be in the form of a digital presentation. You might want to make your own video of an information show. If you enjoy art, then you can use your skills to enhance a written project. It's up to you!

You will be expected to present your project to the class and discuss what you have researched.

A good starting point is [Ancient Greece - KS2 History - BBC Bitesize](#).
