

Herne Bay Junior School- Sports Premium

Report to Parents and Planned Expenditure 2020-21

'At Herne Bay Junior School we believe that all children should enjoy physical education and sport. Through physical education and sport we aim to improve health and well-being and promote active participation in a range of physical activities, in a safe and supportive environment.'

Summary of Pupils on roll and Sports Premium received

	2020-21
Sports Premium Grant	£16,000 plus a premium of £10 per pupil = £20,590
Total number of pupils on roll	440

At Herne Bay Junior School, the Governors and Headteacher believe the purpose of the Sports Premium should be;

- To ensure that teachers offer high quality Physical Education as part of the school curriculum and that continual professional development for existing staff is on-going.
- To build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.
- To provide appropriate competitive school sport opportunities for all children who wish to take part.
- To encourage children and their families to take part in sport in school.
- To identify, enthuse and engage with children and families who are less active and therefore, less likely to choose sport and exercise as a lifestyle choice.
- To increase the number of children who take part in an after school sports club by offering a range of activities.

- To work in partnership with other organisations and schools to maximise the potential of the P.E. and school sport funding and make the best use of the facilities and resources within the school grounds.
- To inspire children to participate in a range of sporting activities.

Provision and Principles

At Herne Bay Junior School we currently allocate the funding in the following ways:

- The Herne Bay and East Kent Coastal Sports Partnership package:
 - Specialist teachers to work alongside our staff (virtually or in-house) for 1 day per week for 12 weeks.
 - 12 different weekly challenges in different sporting activities for all children to participate in.
 - Bikeability opportunities.
 - PE Coordinator meetings including CPD sessions.
 - Year 6 Sports Awards.
 - Sports Crew Training and support.
 - Scheme of work in three different activities.
 - Administration support.
- Intra-school competitions organised and run by 16 Herne Bay Junior School sports leaders focusing on a variety of sports.
- The development and use of the PE scheme of work, promoting development of skills throughout the school and increase participation rates of children in PE lessons.

- Continue the development of PE assessment throughout the school. The assessment is a pro-forma created by the East Kent Sports Partnership, in line with the National Curriculum.
- A variety of after school sport clubs run by professional coaches, aimed at offering a wider variety of sport to appeal to a broader range of children.
- Focus on less active children- A Change 4 Life club run during lunchtimes for 12 weeks. The aim is to improve behaviour and activity levels through sport.
- Bring inspiring athletes to the school to encourage children to participate in sport.
- We will take part in a minimum of 16 competitions with other local schools, some of which have the opportunity to develop onto the East Kent Finals. Our school also takes part in numerous local football and netball matches.

Expenditure 2020-21

At Herne Bay Junior School our funding will be used to make additional and sustainable improvements to the quality of PE across these five indicators:

Key indicator 1: The engagement of all pupils in regular physical activity - Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement

Key indicator 3: Increased confidence, knowledge and skills of all staff
in teaching PE and sport

Key indicator 4: Broader experience of a range of sports and activities
offered to all pupils

Key indicator 5: Increased participation in competitive sport
