Welcome back to term 3! I hope that you all had a very happy and peaceful Christmas holiday.

It has been a great start to the term with the children returning confidently and ready for their learning. As the term progresses we will add further dates to the diary listed above so that you have reference to the events that take place in school.

Today, 86 children were awarded a silver star pin for achieving 100% attendance in terms 1 and 2. Further details can be found in the section 'Attendance Stars' later in this newsletter. Well done to all those children who were awarded their silver pins today.

Last November, Herne Bay High School visited the school as part of their Dance Dash across Herne Bay. Each school they visited, gave their Children in Need donations to the students so that the money raised would be given to the charity as a collection. I was impressed to learn this week that the sum total the students collected was £3716.85! This is a great achievement and I'd like to thank Ali O'Neill and the students and staff at HBHS for their time and effort in putting this annual fundraising event together.

ATTENDANCE

Our whole school attendance this week is 91.81%. Overall attendance to date is 93.52%.

Well done to 6ALT for achieving 97+% attendance this week.

86 children remain in the 100 club with 100% attendance.
157 pupils currently have attendance of 98% or above.

137 late codes have been recorded this week. Please ensure that your child arrives at school **by 8:45am** each day.

ATTENDANCE STARS

We want to recognise children when they achieve 100% attendance for a seasonal term.

Children who have 100% attendance for terms 1 and 2 will receive a silver star pin. If they continue with 100% into terms 3 and 4, they will be awarded a gold star pin. If their attendance continues across terms 5 and 6, they will then receive a surprise award!

For children who didn't make 100% in terms 1 and 2, don't worry! New Year - new start! You can work towards a silver star, then, in terms 5 and 6 you have the chance of going for a gold star pin ☆

HOUSE POINTS

Red House are the winners this week with 147 points – well done!

Yellow House – 116 points

Green House – 84 points

Blue House – 70 points

SEN TEAM NEWS

Sleep Hygiene Workshops

Did you know that poor sleep can lead to behaviours in line with ADHD, anxiety, memory difficulties and emotional problems?

Following the success of the Emotional Regulation workshops provided for parents last term, Miss Black will be holding two sleep hygiene sessions next week.

The informal gathering will be a chance to talk through strategies that can help children and families establish good evening and bedtime routines. The aim is to provide families with resources that will be useful in the home as well as provide a safe space for parents to talk about the difficulties they are experiencing.

Both sessions will be the same so you only need to attend one.

Lola, in 6ALT, nominated Poppy-Ann because she is always a great friend and helps cheer her up when she is sad.
