Thursday 9th March 2018

Following the disruption last week due to the snow, we have had a much more settled week in school.

Yesterday was our rescheduled 'World Book Day'. There were so many characters brought to life using imaginative costumes. Pictures have been uploaded to our website; take a look to see the range of characters and outfits!

The PTA opened the Mother's Day shop daily and it has been lovely to see the excitement on the children's faces as they have thoughtfully chosen their gifts. I hope that you will enjoy unwrapping these and sharing a special day together.

Thank you to those who supported the Book Fair. The generous commission that we receive will allow us to purchase further texts for our library.

E-SAFETY ADVICE

Using the internet - Explore together

The best way to find out what your child is doing online is to ask them to tell you about it. Put the family computer or smart device in a communal area so you can see what sites they're visiting and share with them.

Agree boundaries

Be clear what your child can and can't do online – where they can use the internet, how much time they can spend online, the sites they can visit and the type of information they can share. Agree with your child when they can have a mobile phone or tablet.
