Friday 19th January 2018

I enjoyed having lunch with our School Council today. They presented me with a proposal put forward by their classmates which I will consider carefully. In next week's newsletter I hope to share this proposal and the outcome – watch this space!

There are a number of children who are not accessing Studyzone to practise their times tables. The expectation is for 20 minutes to be accrued over a week. Regular practise will increase confidence and improve accuracy. Class teachers are able to track progress of the children on Studyzone and they regularly encourage and remind the children of the expectation.

18 children from across the school took part in the Sports Hall Athletics competition at Herne Bay High School on Wednesday. Our children participated well and proudly came 6th out of 15 schools. Well done to all the children involved!
