Friday 12th July 2019

This week we have all had the pleasure to watch the Year 6 production of The Lion King. I have received so many positive comments from children, parents and families who have expressed their wonder and admiration of the quality of performance by all the children; the singing, the dancing the acting and the costumes were simply amazing. Well done to everyone involved and thank you to everyone who supported the show by being part of the audience.

With just 7 days to go until the end of term, there is still much to look forward to. Next week, Year 6 children will be bidding us farewell for the week as they embark upon their residential trip to Swattenden. Many of the other year groups will also be celebrating this term's learning along with their home learning projects which have already started to come in – they look amazing.

Finally, we're having one final push on attendance next week to see if we can exceed our target of 96% by the end of the year. It's currently 95.99%! As an extra incentive, every child who attends next week and who would like one will receive a free ice-lolly each morning play time. Let's hope for some sunny weather!
