Friday 14th June 2019

Despite the unseasonal weather this week, our spirits have not been dampened. Yesterday all the children were fortunate to meet Aaron Phipps, Great Britain Wheelchair Rugby player, who shared his inspirational story. Aaron contracted meningitis at the age of 15 resulting in the amputation of both of his legs. He told the story of his journey taking him to compete in the 2012 Olympics, inspiring the children with his achievement.

On the 2nd July we have another very special visitor coming to the school. This person has been highly influential in the world of Science and I know that the children will be truly inspired by his knowledge and wisdom. More to follow...

This Sunday, Father's Day, Bay Promo will be holding their annual Sci-Fi event on the school field. Entry to the event is by ticket which can be purchased at local shops or at the entrance on the day.

NON-UNIFORM DAY

Please don't forget we have a non-uniform day on Tuesday 18th May in return for the children bringing in a filled jar for the Summer Fair.

SUMMER FAIR

Our Summer Fair takes place on Friday 21st June at 1pm. All friends and family are welcome. Money for your child to spend should be brought in a sealed envelope or named purse. The children will remain at school until the end of the school day where they can be collected in the usual way.

ART BUILDERS

We have been fortunate to collaborate with Animate Arts Company who have worked alongside our Art Builders to develop their creative skills. The children have been working on a large scale project, part of which will be on display at A Bundle of Books from the 28th June until the 5th July. Please see the attached flyer for further details.
