### Friday 25<sup>th</sup> January 2019

Despite the cold weather this week, it has been business as usual with some learning taking place outside. In addition, the children have all been actively taking part in the daily mile with over 1,000 miles being logged! The teachers have really noticed the stamina of the children improve with many of them now able to pace themselves and run the mile without stopping.

Last Saturday the girl's football team represented our local area in the Kent Schools FA tournament. The girls played some great matches and went on to win the tournament! We are incredibly proud of them all. They will now go forward to the South of England Regional stages – their personal goal being to make it all the way to Wembley for the final later in the year. In assembly this morning, Mr Hobbs recognised them all for their skill, determination, resilience and excellent team spirit. Well done girls!
