

Herne Bay Junior School- Sports Premium

Report to Parents and Planned Expenditure 2024-25

'At Herne Bay Junior School we believe that all children should enjoy physical education and sport. Through physical education and sport we aim to improve health and well-being and promote active participation in a range of physical activities, in a safe and supportive environment.'

Summary of Pupils on roll and Sports Premium we will receive:

	2024-2025
Sports Premium Grant	£16,000 plus a premium of £10 per pupil = £ 19,870
Total number of pupils on roll	387

At Herne Bay Junior School, the Governors and Headteacher believe the purpose of the Sports Premium should be;

- To ensure that teachers offer high quality Physical Education as part of the school curriculum and that continual professional development for existing staff is on-going.
- To build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.
- To provide appropriate competitive school sport opportunities for all children who wish to take part.
- To encourage children and their families to take part in sport in school.
- To identify, enthuse and engage with children and families who are less active and therefore, less likely to choose sport and exercise as a lifestyle choice.

- To increase the number of children who take part in an after-school sports club by offering a range of activities.
- To work in partnership with other organisations and schools to maximise the potential of the P.E. and school sport funding and make the best use of the facilities and resources within the school grounds.
- To inspire children to participate in a range of sporting activities.

Provision and Principles

At Herne Bay Junior School we currently allocate the funding in the following ways:

- The enhanced Herne Bay and East Kent Coastal Sports Partnership package.
- Increase the confidence, knowledge and skills of all staff in teaching PE and sport.
- Termly intra-school competitions organised and run by 16 Herne Bay Junior School sports leaders focusing on a variety of sports.
- The development and use of the PE scheme of work, promoting development of skills throughout the school and increase participation rates of children in PE lessons.
- Continue the development of PE assessment throughout the school. The assessment is a pro-forma created by the East Kent Sports Partnership, in line with the New National Curriculum.
- A variety of after school sport clubs run by professional coaches and staff, aimed at offering a wider variety of sport to appeal to a broader range of children.

- Bring inspiring athletes to the school to encourage children to participate in sport.
- We will take part in competitions with other local schools, some of which have the opportunity to develop onto the East Kent Finals. Our school also takes part in numerous local football and netball matches.

Expenditure 2024-2025

Key indicator 1: The engagement of all pupils in regular physical activity - Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school- £5,500
